COVID-19 | A PATHWAY FOR AMERICA'S RECOVERY

July 11, 2020

Mr. Donald J. Trump
President
United States of America
1600 Pennsylvania Ave. NW

Et Al.

Mr. President, Madam Speaker, Honorable Senators, Honorable Governors, and esteemed Federal Officials:

The White House, Congress, and federal, state and local leaders have worked tirelessly in responding to the needs of the American people in the face of the COVID-19 Pandemic. As the nation now turns to addressing the needs of individuals, families, and communities in the aftermath of COVID-19, there are four (4) important systemic level policy changes that can lead to America's full recovery. The following document is being submitted for your consideration as states begin to re-open, and new challenges begin to emerge related to the pandemic.

If there is further information I can provide, or if I can be of assistance to your agencies, I would be happy to do so. Please contact me at any time.
